Dear Peter

MEMBERSHIP OF THE ASSOCIATION OF SECURITY CONSULTANTS

I am pleased to confirm that the ASC Board has accepted you as an Associate Member of the Association of Security Consultants.

The fee for membership is £150 payable annually. When we receive your payment we will issue a receipt and other items of information – including your access password to the 'Members Only' compartment of the Association's website. Your Association certificate, tie and lapel pin will be presented to you at the next association event you attend. We have your e-mail address and you will be placed on to the ASC database for circulations by that medium.

Should you have any queries on this, or any other Association related matter, please do not hesitate to contact me as detailed above (*please use this address for all correspondence with The Secretariat*). I do look forward to meeting you at the Association's events and would encourage you to take an active part in *your* organisation.

Yours sincerely,

Derek
